

BOARD CONFIDENTIALITY POLICY & PROCEDURE

INTRODUCTION

Apprenticeships Are Us Limited (ARU) Board confidentiality is important. It encourages open and frank discussion at meetings, helps facilitate the development of vision and the implementation of an effective strategy to achieve that vision, and protects information that is confidential, personal, or relates to employment, commercial or legal matters.

PURPOSE

The purpose of this policy is to ensure effective governance of Apprenticeships Are Us Ltd (ARU) in accordance with relevant legal frameworks, including the Privacy Act, the Corporations Act, Australian Institute of Company Directors (AICD) guidelines, and Australian Charities and Not-for-profits Commission (ACNC) Governance standards. This policy emphasises ARU Board confidentiality and privacy considerations.

POLICY

1. **Confidentiality and Privacy Obligation:** ARU Board members are required to maintain the confidentiality of all information related to matters discussed by the ARU Board. This includes, but is not limited to, board meeting minutes, agendas, reports to the ARU Board, associated documents, and the information contained within them. This obligation extends even after a person has left the ARU Board.
2. **Legal Duties:** Board members must adhere to their legal duties. This includes not improperly using confidential information to gain an advantage for themselves or others or to cause detriment to the organisation, as stipulated by the Corporations Act.
3. **Access to Board Papers***: If a request is made for access to one or more Board Papers, the ARU Board may, on a case-by-case basis, decide whether to provide access. In making this decision, the ARU Board will consider:
 - The importance of maintaining confidentiality to facilitate effective board meetings.
 - Compliance with the law, including privacy laws, recognising that there may be legal duties to disclose or protect information.
 - Whether the requester is a member, understanding the role of members in holding the ARU Board accountable.
 - The need to ensure consistent treatment of documents and the potential consequences of establishing precedents or expectations.
4. **Professional Advice:** This policy does not prohibit the ARU Board from seeking confidential legal, accounting, financial, or other expert advice from independent professionals to assist in carrying out its functions.
5. **External Participants:** Any person who is not a member of the ARU Board but is present at ARU Board meetings (or part of a meeting) must also maintain confidentiality regarding information obtained as a result of their participation.

* **Board Papers:** Board Papers encompass all written communications to Board members, including but not limited to monthly/quarterly board papers, submissions, minutes, letters, memoranda, board committee and sub-committee papers, and copies of other documents referred to in any of the above-mentioned documents made available to the Board member during their time in office.

RESPONSIBILITIES

- **Chair:** The Chair is responsible for bringing this policy to the attention of prospective ARU Board members.
- **Managing Director:** The Managing Director must ensure that this policy is included in the induction kit for new ARU Board members.

- **Access Requests:** Requests for access to ARU Board Papers should be directed to the Chair, who will include consideration of the request as an item on the ARU Board agenda.

PROCESSES

1. **Handling of Board Papers:** The Managing Director is responsible for creating, maintaining, and distributing ARU Board Papers in a manner consistent with their confidential status. These documents must be kept separately from other non-confidential documents and stored securely to limit access to unauthorised individuals, including employees. Access should be made available only through electronic means via Board Pro Software.
2. **Legal Advice:** In cases where there is a request for access to ARU Board Papers, and if there are concerns about laws governing disclosure or non-disclosure, the Managing Director will obtain legal advice to assist the ARU Board in its decision-making process. This ensures compliance with legal requirements, including privacy regulations.

This policy aims to align ARU's governance practices with relevant legal and industry standards, promoting confidentiality and privacy in the organisation's operations.
